Growing Roots Workshop

Connecting Educators and their Children to Nature

McDowell Environmental Center and Alabama Folk School

June 21-23, 2010

June 21-23, 2010

- Create a lifelong bond with your child by sharing Nature with them.
- An opportunity for educators to learn together with their own child or grandchild about the wonders of Nature.
- Wade the streams of Camp McDowell and learn how to get your child excited about Nature.
- Discover the unique geology of Alabama through fossils.
- Learn mosaics using Natural Resources
- Gain a better understanding of Climate Change and how to teach it.
- Swim and tube the waters of Clear Creek
- Open your senses to the natural world through hiking and guided journaling.
- Hike the forests and learn the edible and medicinal plants that grow in Alabama.

For more information, contact Maggie Johnston at Maggie@campmcdowell.com or Alicia Hall at ventureout@campmcdowell.com or by calling 205-387-1806.
